

Personal Verses

- ✿ Pick a variety of verses from the Bible and type them out. You can get a couple of students to do this making sure that there are enough verses for each person.
- ✿ Put the verses in a box and pass around the box for each student to draw out a paper.
- ✿ Ask the students to reflect on the meaning of a particular verse has for them and then to write a response to God.
OR
- ✿ You can either insert the verses into balloons and inflate the balloons.
OR
- ✿ write each verse on an inflated balloon, deflate the balloons, and then let each student take a balloon and inflate and read it.
OR
- ✿ Students in groups of about 6, write the phrase on a *post it note* and curl it around a pencil and attach each one to the outline of a tree, heart, T shirt, flower or car. The students then pass their outline with the prayer stuck on it to the next group who can pluck one off each and read it.
