

Prayers from Three objects

- *Have the students bring three unrelated things, or pictures of them, and write a prayer based on their objects. For example, someone who brings in a bear, a watch and make-up might write: 'Jesus please **bear** with me and **watch** over me. I want to **make up** for my sins.'*
- *Objects may include cellphone, rugby ball, drink bottle etc.*
- *Alternatively the teacher could bring in three objects and demonstrate creating a prayer in this way. Then challenge the students to bring their own objects the following day.*
- *ON another occasion the teacher could provide a box of objects and one or two students pick three objects and create a prayer around those objects.*
