

The Feast of Christ the King

On the image of the crown just write words or symbols of what kingship could mean to you today.

How is Jesus King of the world?

Can you think of any other suitable title for Jesus that would convey this idea of Kingship?

Does a King 'love and serve' and how?

What sort of things could we ask Jesus for today as King of the Universe and why would we ask this?

Write this prayer on the crown.
