

## The World – Creation and Co-creation

- Play some meditative music
- Give each student a 'world' image and get them to colour it showing its beauty from space. On the reverse, each student then writes three words to describe the world.
- When all have done this, light a candle and prepare a prayer service using Part Five "Celebrating the Creator" Year 9 Students' Book. There is Psalm 148 on p.17 and "A Song of Creation" by Joy Cowley on p.19.
- During the prayer service each student can read out the three words that they have written.
